

## **FENCE AND MAILBOX DAMAGE POLICY – 2010-2011**

1. If we make physical contact with the mailbox or fence with a plow or vehicle then we replace and/or repair the mailbox or fence.
2. If the mailbox or fence is broken from the weight of the snow, ice or slush then we do not fund the replacement or repair.
3. Replacement of mailboxes is not in-kind but a standard mailbox and pole (valued at \$30.00) is provided. For those persons with the new granite posts and newer upscale mailboxes then replacement will be via formal adjustment through our insurance carrier or we will pay \$30.00 towards the repair.

If any further information is needed, do not hesitate to call.
