Welcome to Summer 2011!

One of our main goals is to provide QUALITY PROGRAMMING at AFFORDABLE PRICES for WESTBORO RESIDENTS. Last Summer, over 700 Westboro families participated in our playgrounds, swim lessons, sports clinics and afternoon activities. Several new programs are being offered this summer including Art Story, Little Explorers, Reptiles and a Football Clinic, just to name a few. We're excited about these new additions and would love to get your feedback. Be sure to check out the new program description for our 5-9yr old Playground. We've changed the format to really amp up the fun!

For future department brochures and registration forms, please check your child's Virtual Backpack. We will no longer be distributing hard copies through the school system.

As always, we thank you & your family for your past support and we hope to continue to see your children enjoying themselves in our programs during the summer months. As you look through the brochure, do not hesitate to contact us with questions, suggestions or concerns. We love to hear from you!

Think warm thoughts!

## MISSED CLASSES due to inclement weather

In our experience, most organizations run their swim lessons in one or two week sessions for a total of 5-10, thirty-minute classes. Knowing full well that it rains in the summer, we schedule our lessons in three week sessions for a total of 12 thirty-minute classes. We do this intentionally knowing we will miss a few classes due to weather. These few classes are NOT made up. If we miss an excessive number of classes we will try to use Fridays as a makeup.

## Lake Chauncy Beach

[Lake Chauncy](#) is a great place to toss a frisbee, build sand castles, take a swim class or just relax with the sand between your toes. Family time well spent...right in your backyard!

**Beach amenities** include a playground area, shade shelter, picnic tables and rest-room/changing facilities for men and women. Designated swim areas are roped off. The area is handicap accessible with designated parking, rest room facilities and paved walkways to and from the water.

**Beach Location:** From Rt 9 and Lyman St intersection, follow Lyman Street northerly towards Northboro. Parking for 75 vehicles is 300 yards up on right, beach is across the street on left. A crossing guard is available Mondays-Thursdays, from 12:00noon until 4:00pm.

**Boat Access:** No watercraft, motorized or not, is allowed to enter the water or dock/unload on or next to the beachfront EVER. The Boat Access is located off Chauncy Street. All personal watercraft such as jet skis, skidoos, etc are now banned from the lake (effective 2008).

Please note that children under 12 must be accompanied by a parent or guardian. We do not allow inflatables of any kind, including water wings. For a list of beach rules, visit our website at [www.town.westborough.ma.us](http://www.town.westborough.ma.us) Click on departments, then recreation and the appropriate tab. SEE "HOW REGISTRATION WORKS ON APR 2" ON THIS PAGE FOR IMPORTANT INFORMATION REGARDING REGISTERING A 2ND FAMILY.

**CONFIRMATIONS:** Once registered, there will be NO further confirmation from our department. The only time you will hear from us is if there is a change in the time, day or location of a class, or if a class has been cancelled. Please retain brochure for program start dates and times.

**AGE REQUIREMENTS:** Each program has specific requirements as to age and/or grade. Ages are as of 8/31/2011 unless otherwise specified in program description. ## How Registration Works on April 2

*[Our goal with this policy is to eliminate 'cutting in line' or people 'handing off' their form to others. We have used this procedure for other program registrations and everyone seems to be happy with the results].*

Doors will open at 7:30am.

As you enter the building, you will be asked if you are registering for 1 or 2 families, and you will be handed a numbered card. This number represents the order in which we will take registrations. This allows you to move about inside the building without standing in line. You CAN NOT leave the building at this point unless you give up your number.

If you are registering for 1 family, you will receive your number and can only sign up for your family.

If you are registering for 2 families, you will be directed to a desk, asked to show the 2 family sign-up forms, and your numbered card will be coded for 2 families. If you intended to register for 2 families but only have one form with you, you will NOT be allowed to register for the other family. We suggest you call the other family ASAP and tell them you will NOT be able to register them without their signed form. They should come down themselves, immediately, and get in line. You will NOT be able to hold a number and wait for your friend to arrive. Your choice is to take your number for 1 family or return your number to us and wait for your friend.

We will begin calling numbers at 8:00am, 20 at a time. For reference, we typically get through 100 numbers each hour. When called, proceed to the registration hall, add your child's name to the program sheets you are interested in. Take the time you need, but remember MANY OTHERS ARE WAITING FOR YOU TO FINISH. When you have finished, complete family sign-up form and bring to cashier's table. Cashier's will collect your numbered card and will only accept 2 forms if your numbered card is coded as such. They will also record your number on your family sign-up form. This allows us to monitor our program lists hourly to ensure that only those names that should be on the lists are

**Thank You**
