

Appointments to Advisory Finance Committee and Personnel Board

Among my duties as Moderator are appointments to the Advisory Finance Committee and the Personnel Board. I am always interested in hearing suggestions for future appointments. This very much includes self-nominations as well as nominations of others.

You need not wait until you know or believe that an opening exists. In fact, it is often preferable to discuss the matter without the pressure of an immediate appointment.

You may also wish to contact the person who chairs the committee in which you are interested. For the current committee rosters, with the year of expiration of each member's term, see the latest Annual Town Report.

Appointments to these committees are for 3-year terms that end at the close of the annual town meeting in the year of expiration. Openings may occur at other times if members move away from town or assume other duties. One must be a registered Westborough voter in order to serve. For more about the duties of the Advisory Finance Committee, see the Town Bylaws, Article 3. The Personnel Board's duties are described in Article 13, Sections 1-3.

I look forward to talking with you!

Joe Harrington, Moderator **4 Jefferson Road Westborough, MA 01581**
